## INTRODUCTION

Set in a two-storied heritage house within the gardens of PMQ, LOUISE is a collaboration between Yenn Wong, Founder of JIA Group, The Lo & Behold Group and acclaimed Chef Julien Royer, who is honoured with the #1 position in "Asia's 50 Best" and #18 in the "World's 50 Best" awards with his 3-Michelin star Singapore restaurant, Odette.

With the same passion and focus but a different concept, Louise is Chef Royer's tribute to the simple joys of familial love and honest cooking. Our dishes are derived from the best possible flavours from quality ingredients using cooking techniques that toe the line between fine dining and everyday fare, paired with genuine hospitality. Traditional French food, reimagined.

## THE CUISINE

Grown from a place of nostalgia and familial love, Louise's traditional French cuisine, reimagined, provides honest cooking with which Chef Royer was brought up. All ingredients are personally sourced by Royer from farmers and producers who span generations, and he introduces cooking techniques that bridge the gap between fine dining and a way of eating which can be enjoyed every day.

Extraordinary events call for extraordinary venues. Louise's unique two-storied heritage house set within gardens in the heart of central Is just the space for you – whether its an intimate dinner for 10 in our Drawing room or a celebration of 200.

## WINE LIST

Louise is grown from a place of nostalgia and familial love. Placing a heavy emphasis on sourcing from farmers and producers who span generations, the same dedication goes into our wine. With over 300 distinct French bottles of wine housed at Louise, we highlight an extensive range of flavours from the simple to prized rarities.

Our two-storied heritage-listed house reveals two distinct areas of indulgence; the first floor is the stage for exploration with wines produced by humble French vineyards. An entirely curated experience, our resident sommeliers are not only available to share our expert suggestions, but we will also guide you through harmonious pairings.

## LOUNGE

Overlooking an outdoor terrace fringed by succulent cacti, palms and lush trees, the high ceilinged Lounge exudes chic comfort and a sense of inclusiveness with its soft antique lighting and comfortable banquette seating. Here, an all-day light dining menu offers specialty charcuterie, artisan cheeses, tasty dishes and French pastries to enjoy with one of the 24 wines by the glass or a cocktail from its emerald green

The Drawing Room, an extension of the Lounge area, repurposes seamlessly into a private room for intimate dinners and small gatherings.

## THE DINING ROOM

A curated selection of fine artwork adorn the botanical clad walls of an intimate staircase which leads you up to an inviting, cosy ivory space flooded with natural daylight and an outdoor terrace with a view over the beautiful trees lining the property. You're invited here to make yourself at home as Louise offers a menu inspired by heartwarming dishes from Chef Royer's childhood – with ingredients sourced from specialty producers, many who go back generations.
